

March 27, 2014

## Unemployment Rate Drops to 7.3%; Seasonal Gains in Local and State Education

The seasonally adjusted unemployment rate in Arizona dropped two-tenths of a percentage point from 7.5% in January to 7.3% in February. The U.S. seasonally adjusted unemployment rate increased one-tenth of a percentage point from 6.6% in January to 6.7% in February. A year ago, the Arizona seasonally adjusted rate was 8.0% and the U.S. rate was 7.7% (see **Figure 1**).

In February, 17,300 Nonfarm jobs (0.7%) were added to the payroll in Arizona (see **Figure 2**). Job gains are typical in February. The ten-year ('04-'13) average for February is a gain of 26,300 jobs. Government accounted for more than half of the total Nonfarm job gains (11,400 jobs) in February. Most of these gains were reported in Local Education (8,000 jobs) and State Education (2,700 jobs) as schools returned to full staffing levels following the winter holidays. The Private Sector added 5,900 jobs, below the ten-year ('04-'13) average gain of 12,900 jobs.

Figure 1

### Arizona, U.S. Economic Indicators

#### Unemployment Rate (Seasonally Adj.)

	Feb '14	Jan '14	Feb '13
United States	6.7%	6.6%	7.7%
Arizona	7.3%	7.5%	8.0%
Arizona unadjusted rate	7.1%	7.8%	7.9%

#### Arizona Nonfarm Employment (in Thousands)

	Feb '14	Jan '14	Feb '13
Overall	2,553.4	2,536.1	2,505.5
Over-Month % Chg.	0.7%	-1.6%	1.1%
Year-to-Year % Chg.	1.9%	2.3%	2.3%

See tables starting on Page 5 for metro and county areas unadjusted unemployment rates. Current seasonally adjusted rates for metro areas will be available online next month at [www.azstats.gov](http://www.azstats.gov).

Figure 2

### Arizona Total Nonfarm Employment Over-The-Month Job

### Over the Month by Industry Sector

Eight of the eleven major sectors added jobs, one was flat, and two reported losses (see **Figure 3**). Government (11,400 jobs) and Leisure and Hospitality (9,000 jobs) sectors had the largest over-the-month gains. Together they accounted for a majority of the Nonfarm job gains.

**Government** recorded the largest over-the-month gain adding 11,400 jobs (2.8%). Although gains are typical in February, they were slightly below the ten-year ('04-'13) average job gain of 13,400 jobs. Job gains were primarily from Local Public Education (8,000 jobs) and State Public Education (2,700 jobs). Federal Government lost 100 jobs.

**Leisure and Hospitality** added 9,000 jobs (3.3%). This gain was the largest over-the-month gain on record (1990-2014), surpassing the previous record of 6,900 jobs in February 2013. This gain was also higher than the ten-year ('04-

'13) average gain of 5,100 jobs. Arts, Entertainment, and Recreation gained 2,000 jobs, more than double the ten-year ('04-'13) average gain of 900 jobs. Accommodation and Food Services gained 7,000 jobs. Food Services and Drinking Places gained 5,700 jobs and Accommodation gained 1,300 jobs.

**Education and Health Services (EHS)** added 1,700 jobs in February (0.4%). Historically ('04-'13) EHS has averaged a gain of 3,000 jobs. Gains in Health Care and Social Assistance (1,000 jobs) and Educational Services (700 jobs) were also below historic ('04-'13) averages of 1,800 and 1,200 jobs respectively. Within Health Care, Hospitals (500 jobs), Nursing and Residential Care (400 jobs) and Ambulatory Health Care Services (200 jobs) all recorded job gains. Social Assistance recorded its first over-the-month February loss, losing 100 jobs.

**Other Services** gained 900 jobs in February compared to 1,300 jobs gained historically ('04-'13).

**Construction** reported a gain of 700 jobs (0.6%). Gains were from Building Construction (400 jobs) and Specialty Trades (300 jobs). Heavy Construction remained unchanged.

**Financial Activities** gained 400 jobs (0.2%). This was over three times lower than the ten-year ('04-'13) average gain of 1,300 jobs. Finance and Insurance was flat in a month that historically ('04-'13) has recorded a gain of 900 jobs. Within Finance and Insurance, Credit Intermediation and Related Activities lost 800 jobs, the first over-the-month February loss since 1995. Insurance Carriers and Related Activities gained 700 jobs while Securities, Commodity Contracts gained 100 jobs. Real Estate and Rental and Leasing gained 400 jobs.

**Manufacturing** (200 jobs) and **Information** (100 jobs) recorded small job gains. **Natural Resources and Mining** remained unchanged.

**Trade, Transportation and Utilities** recorded the largest job loss of any sector, 5,600 jobs (-1.1%). Although losses in TTU are typical, February losses were larger than the ten-year ('04-'13) average loss of 1,900 jobs. Transportation, Warehousing and Utilities added 100 jobs. Trade overall had a net loss of 5,700 jobs. Losses were observed in Retail Trade (-5,600 jobs). This loss was more than twice the average loss of 2,300 jobs

('04-'13). The majority of losses within Retail Trade were from General Merchandise (-1,800 jobs), Clothing and Accessories (-1,000 jobs), and Motor Vehicles and Parts (-600 jobs). Wholesale Trade lost 100 jobs over the month, atypical for February, which historically ('04-'13) has gained 400 jobs.

**Professional and Business Services** lost 1,500 jobs (-0.4%). Historically, PBS has added jobs in February with the only loss recorded in 2009. February's loss follows a weaker January loss compared with its historic average ('04-'13). This could possibly explain the atypical losses recorded in February. Gains within Professional, Scientific and Technical Services (300 jobs) were offset by losses within

Administrative and Waste Services (-1,500 jobs) and Management of Companies (-300 jobs). The largest loss within Administrative and Waste Services occurred in Services to Buildings and Dwellings (-800 jobs).

## Over the Year

Over the year Arizona added 47,900 (1.9%) Nonfarm jobs in February. All of the gains were in the Private Sector which added 49,100 jobs (2.4%) over the year. Government shed 1,200 jobs from losses in Local (-1,400 jobs) and Federal Government (-1,300 jobs). Eight of the eleven major sectors reported gains and three reported losses (see Figure 4).

**Education and Health Services** reported the largest gain of 12,600 jobs (3.4%) over the year. The majority of gains were from Health Care and Social Assistance which added 9,200 jobs. Ambulatory Health Care Services (3,500 jobs), Hospitals (2,000 jobs), and Nursing and Residential Care Facilities (1,000 jobs) within Health Care added jobs; Social Assistance added the remaining 2,700 jobs. Educational Services gained 3,400 jobs.

**Trade, Transportation and Utilities** added 10,700 jobs (2.3%) over the year with gains reported in both Retail (9,800 jobs) and Wholesale (1,900 jobs) Trade. Within Retail, Clothing and Accessories reported the only loss (-600 jobs) with General Merchandise (2,100 jobs), Motor Vehicles and Parts (1,400 jobs), Building Material, Garden Supply (1,300 jobs), Food and Beverage (1,200 jobs), and Furniture and Home Furnishings (700 jobs) all reporting gains. Growth in Motor Vehicles and Parts slowed in February to 3.6% after 21 months of growth over 4.4%. Transportation and Warehousing lost 800 jobs and Utilities shed 200 jobs.

**Financial Activities** gained 9,500 jobs (5.2%) over the year. Finance and Insurance added 6,100 jobs from Insurance Carriers and Related Activities (4,300 jobs), Credit Intermediation and Related Activities (1,000 jobs), and Securities, Commodity Contracts (800 jobs). Real Estate and Rental and Leasing added 3,400 jobs.

**Leisure and Hospitality** added 9,200 jobs (3.4%) over the year. Accommodations and Food Services added 9,400 jobs, the largest over-the-year gain since November 2006. Most of this gain stems from Food Services and Drinking Places (8,300 jobs) which also reported the largest over-the-year gain since November 2006. Accommodations gained 1,100 jobs. Arts, Entertainment and Recreation lost 200 jobs.

**Professional and Business Services** added 5,000 jobs (1.4%) over the year. Administrative and Support and Waste gained 7,800 jobs with Employment Services (6,600 jobs), Business Support Services

(2,700 jobs), and Services to Buildings and Dwellings (400 jobs) reporting gains. Professional, Scientific and Technical Services shed 2,400 jobs, the largest over-the-year loss since April 2010. Management of Companies and Enterprises also shed 400 jobs.

**Construction** gained 4,800 jobs (4.1%) over the year. Specialty Trades (5,900 jobs) and Heavy Construction (600 jobs) added jobs. Building Construction lost 1,700 jobs.

**Information** added 200 jobs and **Natural Resources and Mining** gained 100 jobs over the year. **Other Services** shed 1,700 jobs over the year.

**Manufacturing** lost 1,300 jobs over the year. Gains in Nondurable Goods (900 jobs) were offset by losses in Durable Goods (-2,200 jobs).

**Government** lost 1,200 jobs over the year. State Government was the only subsector to add jobs (1,500 jobs) most of which came from State Education (1,200 jobs). Federal Government lost 1,300 jobs. Local Government shed 1,400 jobs from Local Education (-1,000 jobs) and non-education related sectors (-400 jobs).

## Summary

The seasonally adjusted unemployment rate in Arizona dropped two-tenths of a percentage point from 7.5% in January to 7.3% in February. The U.S. seasonally adjusted unemployment rate increased one-tenth of a percentage point from 6.6% in January to 6.7% in February. A year ago in February, the Arizona seasonally adjusted rate was 8.0% and the U.S. rate was 7.7%. In February, 17,300 Nonfarm jobs (0.7%) were added to the Arizona payroll. This gain was lower than the ten-year ('04-'13) average February job gain of 26,300 jobs. Government added 11,400 jobs, primarily from Local (8,000 jobs) and State Education (2,700 jobs) as schools increased to full staffing levels following the holiday break. The Private Sector added 5,900 jobs, less than half the ten-year ('04-'13) average gain of 12,900 jobs. Eight of the eleven major sectors added jobs, one was flat, and two sectors reported losses.

Government recorded the largest over-the-month job gain adding 11,400 jobs. This was below the ten-year ('04-'13) average job gain of 13,400 jobs. Leisure and Hospitality added 9,000 jobs, the largest over-the-month gain ever recorded (1990-2014). Education and Health Services added 1,700 jobs, less than the historic-average gain ('04-'13) of 3,000 jobs. Other Services added 900 jobs. Financial Activities gained 400 jobs, less than a third of the ten-year-average gain ('04-'13) of 1,300 jobs. Other sectors with job gains include Manufacturing (200 jobs) and Information (100 jobs). Natural Resources and Mining was flat over the month. Trade, Transportation and Utilities shed 5,600 jobs in February. Although losses in TTU were typical, this loss was larger than the ten-year-average loss ('04-'13) of 1,900 jobs. Professional and Business Services lost 1,500 jobs, atypical for a sector which has only one previously recorded (1990-2014) loss in February. This loss, however, follows a weaker-than-average January loss.

Over the year, Arizona's Nonfarm employment increased by 47,900 jobs (1.9%) in February. All of the gains were from the Private Sector which added 49,100 jobs. Government shed 1,200 jobs. Eight of the eleven major sectors reported job gains and three sectors reported job losses. Education and Health Services reported the largest gain of 12,600 jobs. The majority of these were reported in Health Care and Social Assistance which added 9,200 jobs. Trade, Transportation and Utilities added 10,700 jobs followed by Financial Activities (9,500 jobs), Leisure and Hospitality (9,200 jobs), Professional and Business Services (5,000 jobs), Construction (4,800 jobs), Information (200 jobs), and Natural Resources and Mining (100 jobs). Other Services (-1,700 jobs), Manufacturing (-1,300 jobs), and Government (-1,200 jobs) all shed jobs.

### — Equal Opportunity Employer/Program —

Under Titles VI and VII of the Civil Rights Act of 1964 (Title VI & VII), and the Americans with Disabilities Act of 1990 (ADA), Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975, the Department prohibits discrimination in admissions, programs, services, activities, or employment based on race, color, religion, sex, national origin, age, and disability. The Department must make a reasonable accommodation to allow a person with a disability to take part in a program, service or activity. For example, this means if necessary, the Department must provide sign language interpreters for people who are deaf, a wheelchair accessible location, or enlarged print materials. It also means that the Department will take any other reasonable action that allows you to take part in and understand a program or activity, including making reasonable changes to an activity. If you believe that you will not be able to understand or take part in a program or activity because of your disability, please let us know of your disability needs in advance if at all possible. To request this document in alternative format or for further information about this policy, contact the Department of Economic Security, Division of Developmental Disabilities ADA Coordinator at 602 542-6825 ; TTY/TDD Services: 7-1-1.
